PLANT AND SEED SWAP

The 3rd annual plant and seed swap was a success and a lot of fun! Quite a few neighbors came out to share plants, seeds and gardening advice and woes. It was a gorgeous day and we cannot wait to do it again next year. Thank you Laura & Hayden Fraser for hosting the event at your home.

Xeriscape Demonstration Garden

In spite of this last amount of snow fall we received, it looks like we are in for a dry summer. If you have not visited the Xeriscape gardens on Mesa Road you should. They have set up gardens with Colorado and drought friendly plant and hardscape examples. It is not hard to find and is an easy walk through the garden areas. Make sure you don't miss the back gardens.

CONTACTING THE HOA BOARD

Members of the board really like to hear from all our neighbors. We ask that you reach out to us through the HOA email when you have HOA business. This helps us keep track of notices and helps us be paperless.

Many of us have been friends and neighbors for years and have access to each other's phone and email information but we would like to keep those personal contact methods for our personal connections.

So, if you need to notify a board member about a neighborhood concern please use FEHOACOS@gmail.com

If you need to borrow a jar of mayo or want to wish one of us Happy Birthday then absolutely use our personal contact info. ☺ Thank you for understanding.
